

An Artist at Work

“To Alyce”

Your calling in life
is clearly to be
an accompanist.
Always joining notes
in harmonic form
you serve the message
In home and at church,
as well as retreats,
you offer yourself.
And that gift extends
to every thing
in which you engage.
Whether at keyboard
or the kitchen sink,
it is no different.
Present and ready
in countless ways,
you demonstrate grace.
Thanks for being you,
and bless all your kind
who thus serve in love.
