

Come, Stop, Sit

A dog is
man's best friend
it is said.
Could that dog
also be
our mentor?

Say come to
Gunther and
he does come.
Say stop or
sit and he
also sits.

Would that we,
told to stop,
would do so.
Or told to
come and sit,
also mind!

Our Master
often calls:
"Stop!" "Come!" and
"Sit by Me!"
Are we too
obeying?
