

Evelyn

Not wanting
accolades
from us all,
you leave us
with your own.

Your witness
to a faith
undying,
and a hope
eternal.

'The Savior
must be ours!'
That was it,
That was all
you wanted.

We heard it
and sensed it
more than once
in visits
filled with joy

To lay you
now to rest
is to be
reminded
once again.

Christ is all!
He alone
can save us.
Our hope must
be in him.

Rest well, then,
Evelyn.
Epiph'ny's star
that led you
now guides us.
